ALL SNACKS SHOULD BE PEANUT AND TREE NUT FREE.

- 1 large box or bag of an additional snack item (great options include: Vanilla Wafers, Veggie Straws, Animal Crackers, Goldfish, pretzels, Cheez-it crackers, etc.)

Additional items needed throughout the school year:

- **$10 Supply fee for Cleaning products for our room throughout the school year.**
  In past years, we have asked parents to bring in Lysol wipes and spray, hand sanitizer and cleaning items to support our classrooms. Due to storage space, we are asking for $10 to purchase these items as needed throughout the school year. **Please send as cash or check in an envelope in bag with child's supplies.**
- Change of clothes (please send your child's change of clothes inside of a gallon sized ziploc bag. ** **PLEASE LABEL WITH CHILD'S NAME****. We will keep these until the weather changes.
- Snacks - Your classroom teacher will communicate with parents throughout the school year regarding special snacks or the need to replenish our snacks.
- Water bottle: Please bring a clean water bottle with **fresh wate**r daily (no juice, please). If you forget your child's water bottle, please notify your teacher.

A note from your teachers:

- Please dress your child in **comfortable clothing for gymnastics play and ease of taking on and off** during potty breaks. We are teaching your child to help themselves during scheduled bathroom breaks and items such as rompers, clothes with buttons, snaps or zippers or tight fitting clothing can cause an unexpected potty accident. Clothing should be comfortable and easy to pull down and back up. **Elastic waistbands are preferred**. Dresses should not be long and they should be accompanied by shorts or pants underneath. Your child will be attending gym class where they will be jumping, tumbling, maneuvering the foam pit and running with ease.
- Please send your child to class with shoes they can get on and off quickly. **No laces** that need to be tied or tight fitting shoes that they cannot get on by themselves. We will go outside occasionally so they should be close-toed shoes they can walk in comfortably.
- Please supply your child with a backpack that will fit a 10x12" folder each week, hold lunchboxes (if needed) and weekly craft items. This backpack needs to come to school everyday so we may use it to store shoes and coats. Upstairs in the 3s, space is limited at the cubby site.
